INFORMATION DISCLOSURE STATEMENT

Dear Sir:

This Information Disclosure Statement is being submitted in accordance with the duty of disclosure under 37 C.F.R. § 1.56.

The following is a co-pending, commonly assigned patent application:

<u>Inventor</u>	<u>Application No.</u>	<u>Filing Date</u>
Stephen W. Jacobs	10/853,626	May 24, 2004

Applicant requests that the Examiner indicate consideration of the cited information by initialing and dating the margin of this page and returning the page to Applicant.

Applicant respectfully requests the Examiner to consider this Information Disclosure Statement even though no copy of the patent application is attached, because the Image File Wrapper system is believed to moot the need for a copy of a cited patent application.

Since this Information Disclosure Statement is being submitted prior to a first office action on the merits, no fee is believed due. However, should it be determined that any fee is due, the Commissioner is authorized to charge Deposit Account No. 14-0780.

Applicant's undersigned attorney may be reached in our New Holland, Pennsylvania office by telephone at (717) 355-4954.

CNH America LLC
